

The ILMC Bursary Scheme

The ILMC Bursary Scheme is intended to provide young professionals and start-up companies – who would otherwise be unable to attend – the opportunity to participate in ILMC for the first time.

Patrons of the scheme are Robertson Taylor W&P Longreach.

The closing date to apply is **Friday 30 January 2015**, with successful applicants receiving notification in the first week of February. A Bursary Scheme place is a full ILMC delegate pass and details of all successful applicants will remain confidential.

To apply for a bursary place, you must:

1. Be employed by, or own, a company that employs less than 10 people, and that has not previously been represented at ILMC.
2. Have not previously attended an ILMC yourself.
3. Have gone through the ILMC nomination process (see details below).

New Delegate Nomination Process

To ensure that new ILMC members are legitimate industry professionals, all applications must be accompanied by nominations from two existing ILMC members.

If you are unsure who can nominate you, [click here](#) to see who attended ILMC 26 in 2014.

Once you have two referees, please ask them to email confirmation that they are willing to nominate you to registration@ilmc.com.

Are you applying for an association place (Yourope, AIF, MMF or IMMF)? If so, which association:

Please outline your company activity, including fields of work and any recent highlights.

Please tell us why you feel you should be awarded this bursary place:

Conditions

There are two conditions attached to each Bursary Scheme place. Successful applicants will be required to:

1. Attend a short drinks reception during the conference with our scheme patrons, Robertson Taylor W&P Longreach. This will provisionally take place at 5.30pm on Saturday 7 March 2015.
2. Fill in a short questionnaire after ILMC about the scheme, and the conference in general.

Please sign below to confirm that you would be willing to complete both of these?

Once completed, please email this form to registration@ilmc.com and we'll be in touch. Thank you!

Please note that if you are unsuccessful in applying for a Bursary Scheme place, but have gone through the nominations process to become an ILMC member, you will still be eligible to register as a new delegate.
